## SA Metropolitan Fire Service

The attention of all staff is directed to the passing of:

**Station Officer  
Andrew Timothy Eckert**

It is with great sadness that I advise of the passing of current serving SAMFS member, Station Officer Andrew Timothy Eckert [ID 2301909](#).

Andrew's death was unexpected and our thoughts are with Andrews Wife Sally, his Children Harry and Rachel and Andrew's extended family, friends and colleagues.

It is with a very heavy heart that due to the current circumstances and social distancing conditions there will not be a funeral to attend but it is hoped that in the not too distant future a memorial will be held for Family, Friends, Colleagues and Andrews extended SAMFS Family to help celebrate the life of Andrew Timothy Eckert.

A Memorial date, time and location will be forwarded when available.

The family whilst appreciate the empathy and compassion from everyone ask that at this time please respect their decision to have contact at this stage via SAMFS Employee Support Coordinator only.
